**Concessions:** ADRAY requests the ability to have a running tab/rink debit card at the concession stand for all ADRAY representatives to purchase food and drinks during the Championship Weekend. Toward the end of the Weekend we will ask for a total and pay the bill before we leave for the weekend. ADRAY will identify each member that can use the running tab.

**Local Accommodations:** Please supply us with at least 3 hotel/motels; including the Name, Address, Phone Number, and Room Rates. These hotels/motels must openly welcome hockey players and their families. Any other accommodation amenities that would be of interest to the players or families should be included. Please include the distance from the hotels/motels to the hosting rink.

**Rink Information:** Please give us detailed information about the rink that will be hosting the Championship Weekend. We are interested in the Name of the Rink, location/address of the rink, number of ice surfaces, and size of the ice surfaces (NHL, Olympic, other). Please include web address and photos of rink if appropriate.

**Proposed Tournament Schedule:** Please supply us with a proposed schedule for the entire Championship Weekend. We request games not start before 3:00 PM on Friday afternoon and be completed by 3:00 PM on Sunday afternoon. The first games on Saturday and Sunday should not start before 8:00 AM. We will assist the winning Association/Rink with working the schedule into a format that works for both you and ADRAY. Please include schedules for Mites through Midgets.

Please note: Due to the changes in MAHA and USA Hockey regarding Mites; at the present time we are uncertain as to whether or not there will be any Mite teams competing. Please bid for hosting this level and we will let you know if we will have Mites.

Please note: In the past few years we have hosted the Midget Championship on a different weekend and in a different facility; however we will make that determination after the season begins and we see how many Midget teams we have. Please feel free to use the schedule found at the following link as a guide for your schedule: <http://adrayhockey.org/Pages/Championship/schedule.htm>

**Tournament Pricing Summary:** Please supply us with a summary report that will show the cost for each level during the round robin and championship game. Please use the spreadsheet attached to do this summary.
