## 2019-2020 - Metro Prep Post Season Divisions (Feb. 8, - Feb. 23, 2020)

Everyone will have the opportunity to compete in the playoffs. There will be four divisions of five teams each. The regular season winning percentage rankings from each of the two divisions will be used to create four competitive divisions. The even rankings from the Red Division will form one division and the odd rankings from the Red Division will form another division. Same for Blue Division. See below:

Red Division A	Red Division B	Blue Division A	Blue Division B
1	2	1	2
3	4	3	4
5	6	5	6
7	8	7	8
9	10	9	10

Play each team within your division once for a total of 4 playoff games.

Home games will be determined by playing the team ranked immediately below you, then skip one team and play the next one as your home games. The other two games will be away.

(Example: 1A vs. 3A and 1A vs. 7A, are team #1 home games. Games vs. 5A and 9A are away).

The top two teams from each division will advance to the semi-finals where #1 from Red A will play #2 from Red B and #1 from Red B will play #2 from Red A. The highest ranked teams will be the home team and host the semi-final game. Same for the Blue division. See below:

Red Division Semi-final	Blue Division Semi-final
Red Div. 1A vs. Red Div. 2B	Blue Div. 1A vs. Blue Div. 2B
Red Div. 1B vs. Red Div. 2A	Blue Div. 1B vs. Blue Div. 2A

The two winners of the Semi-finals in each division will advance to the Adray Metro Prep Championship Finals on Saturday February 29, 2020 – TBD.

We will crown a Champion of both the Red and the Blue Divisions.
